Commissioner for Patents

The reply filed on 7/29/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (1) The status identifiers for claims 41-53, 57, 59, 61, 63, 67, 69 and 71-73 are incorrect. The claims were withdrawn from examination in the Office Action dated 3/22/04. The claims should reflect their status as having been withdrawn from examination. (2) Claims 23 and 25 are amended, but done improperly, and do not reflect the correct status identifier. In the original claims set, claims 23 and 25 recited "camber". The amended claims 23 and 25 currently recite "chamber". There are no markings in claims 23 or 25 to indicate what changes have been. The status identifier for each claim is incorrect and should be "currently amended". See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan Hanley whose telephone number is 571-272-2508. The examiner can normally be reached on M-F 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Wityshyn can be reached on 571-272-0926. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
